

## RED DOT MUSEUM, SINGAPORE

Nuova tappa tutta orientale per Clay, il pluripremiato tavolo-scultura disegnato da Marc Krusin, in mostra, fino al prossimo 30 novembre, presso il Red Dot Museum di Singapore: uno spazio dove vengono presentate le ultime tendenze sulla scena mondiale del design con oltre mille prodotti provenienti da 50 nazioni. Per l'occasione, sono esposti 300 oggetti insigniti del prestigioso premio che rappresentano il design del futuro, progettati dai migliori designer e realizzati dalle aziende più innovative.
