

Clay

Clay is a sculptural table, a synthesis of beauty and harmonious proportions. Presented at the Salone del Mobile 2015 and winner of prestigious international awards — Iconic Design Award 2015, Good Design Award 2016, and Red Dot Award 2016 in the Product Design category — Clay is born from the encounter of two essential volumes, the top and the base, balanced in a bold and minimal point of contact that transforms stability into a gesture of pure elegance.
