

Maxi Clay

Marc Krusin, 2023

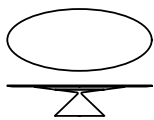

L'iconico tavolo Clay raggiunge dimensioni inedite e generose fino a diventare MAXI. Un sorprendente top ovale di 3,5 metri regala nuove prospettive ed amplia le possibilità di utilizzo sia in ambienti domestici che non, caratterizzandoli con un segno grafico preciso e netto in un perfetto connubio tra armonia delle forme e solidità del materiale.

Maxi Clay

Tavolo con basamento in poliuretano rigido rivestito tramite spatolatura manuale nelle finiture "Concrete", "Stone" e "Marble". La finitura "Marble" è ottenuta tramite miscelatura di polvere di marmo con resina. Piano in MDF rivestito nelle finiture spatolate a mano, in ceramica o in frassino.

Top in Ceramica disponibile solo in formato 240 x 120 cm
