

Koki - outdoor

Pocci + Dondoli - 2015

The contract world enters the domestic space with the Koki range of chairs and stools with a contemporary, fresh design. A perfect balance of form, function and innovation, fascinating from any perspective.

Available models

Stacking chair with self-standing body in integral polyurethane, containing a steel frame.
Mould-coating available in the different embossed colours as per sample collection.
Steel legs in tubular conic shape, square section, lacquered in the same colours as the frame.

Soft outdoor: Item not suitable for direct exposure to atmospheric agents.
