

Koki Wire - Cowhide

Pocci + Dondoli

Born for the outdoors, the Koki Wire collection is enriched with a new, sophisticated version in full-grain leather, for indoor environments. The lightness of the shape remains unchanged, its almost evanescent line that softens the solidity of the steel rod structure.

Available models

Chair with structure in lacquered steel rod or in the exclusive Desalto finishes.
Seat in full grain cowhide stretched over the structure.
The cowhide upholstery is not removable and is intended for internal use only.
