

Trace - outdoor

Shin Azumi · 2005

As the designer Shin Azumi explains, Trace's shape brings to mind the idea of an armchair whose outline alone leaves a trace on the retina of our eye. Hence the name.

Available models

Stackable chair with variable density compound engineering polymer body, frame in brushed stainless steel or lacquered in the same colors of seat.

Soft outdoor: The version with lacquered structure is not suitable for direct exposure to atmospheric agents.
