MADE IN ITALY

- 1** **Avvitare a mano i due perni nella parte inferiore della gamba grande.**
(identificato con l'etichetta "DOWN" - figura 1)
Screw by hand the two pivots into the lower side of the big leg.
(identified with the label "DOWN" - picture 1).

Maneggiare le gambe con cura durante l'assemblaggio.
Handle the legs with care during the assembly.

2 Fissare la parte inferiore della gamba grande alla base come segue:
Fix the lower side of the big leg following the sequence below:

2a Appoggiare la parte inferiore della gamba con molta cautela, usando i perni come guida.
Place the lower side of the leg very carefully using the pivots as a guide.

2b Avvitare le prime quattro viti senza stringere.
Fix the first four screws without tighten.

2c Rimuovere i perni.
Remove the pivots.

2d Avvitare le viti rimanenti e stringerle tutte.
Fix the remaining screws and tighten all six.

- 3** Ripetere le operazioni 1 e 2 con la gamba piccola.
Repeat the operations 1 and 2 with the small leg.

3a Appoggiare la parte inferiore della gamba con molta cautela, usando i perni come guida.
Place the lower side of the leg very carefully using the pivots as a guide.

3b Avvitare le prime tre viti senza stringere.
Fix the first three screws without tighten.

3c Rimuovere i perni.
Remove the pivots.

3d Avvitare le viti rimanenti senza stringerle.
Fix the remaining screws without tighten.

- 4a** Avvitare a mano i due perni in due fori della parte superiore di ciascuna gamba (identificati con l'etichetta "UP").
Screw by hand the two pivots into two opposite holes of the upper side of the leg (identified with the label "UP").

- 4b** Piazzare il supporto rettangolare con molta cautela usando i perni come guide.
Place the rectangular support very carefully using the pivots as a guide.

- 4c** Avvitare le prime 6 viti senza stringere.
Fix the first screws without tighten.

4d Rimuovere i perni.
Remove the pivots.

4e Avvitare le viti rimanenti senza stringere.
Fix the remaining screws without tighten.

- 5 **Verificare che base e supporto rettangolare siano allineati tra loro.**
Check if both the base and the rectangular support are aligned.

OK

NO

- 6 **Avvitare prima la gamba grande. Avvitare con forza le 10 viti.**
Tighten the big leg first. Tighten strongly all 10 screws.

ISTRUZIONI MONTAGGIO PIANO
ASSEMBLY INSTRUCTIONS FOR TOP

- 7 **Stringere con forza le viti alla base della gamba piccola.**
Tighten strongly all screws under the small leg.

- 8 **Avvitare con forza i quattro grani già inseriti nella base della gamba grande.**
Tighten strongly all four grub screws already inside the base of the big leg.

- 9 Fissare il piano al supporto.**
Fix the top to the support.

- 10 Regolare i 6 piedini per stabilizzare il tavolo.**
È importante che appoggino tutti i 6 piedini con la stessa pressione.
Adjust the 6 feet in order to make the table steady.
Be sure that the base is stable (same pressure for all feet).

Per spostare il tavolo aiutarsi con delle barre e fare perno sulla piastra metallica.

In order to move the table, help yourself with some bars under the metal plate and get support from it.

Evitare di sollevare il tavolo per i lati corti.

Please do not lift the table from the short sides.
