Helsinki 30 Tondo

Caronni + Bonanomi, 1995

L'identità di Helsinki si esprime anche nella versione tonda, dove il disegno essenziale della collezione incontra una geometria più morbida e conviviale. Il piano circolare ridefinisce le proporzioni del tavolo, mantenendone intatto il carattere e la riconoscibilità progettuale. Una variante rieditata che amplia le possibilità interpretative di Helsinki, aprendosi a nuove configurazioni dello spazio.

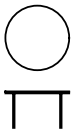

Tavolo con struttura smontabile in acciaio sezione 30 × 30 cm.
