

Helsinki 15

Il progetto Helsinki 15 nasce come soluzione estremamente versatile per ambienti domestici e contract: un sistema di tavolini e consolle che traduce un archetipo formale in una gamma funzionale e raffinata. Disegnato da Caronni+ Bonanomi, il progetto si articola in molteplici dimensioni, materiali e finiture per adattarsi con naturalezza a contesti differenti — dal living alla reception, dalla zona dining agli allestimenti espositivi — garantendo sempre leggerezza visiva e coerenza estetica.
