

# Micro Clay

Colorful and with a vaguely light-hearted air, Micro Clay fits into any internal and external environment with a pinch of irreverence. The Clay table comes in a more compact version, without compromising its understated charm and strong personality, bringing a refined and timeless elegance to any space it inhabits.

**Micro Clay**

Coffee table in rigid polyurethane, lacquered or covered in the "Concrete" finishes. The "Concrete" finishes are obtained by manual application. Also available hand-covered in cowhide and cuoietto in the finishes of the sample book.
