Unlimited

Francesco Rota, 2024

Unlimited is the seating system by Desalto distinguished for its limitless modularity. The starting point is the square-shaped element and the backrest that wraps above it, fundamental components of the system that allow combining various seats to create pouf, armchairs, chaise lounges, and daybeds.

Unlimited

A family of upholstered, modular, and seamless pieces, freely combinable. The supporting structure is made of steel with a concealed base and attachment system. The modules are padded with differentiated density polyurethane foam. The collection is fully removable and disassemblable, facilitating reuse, or recycling of materials.
