

Skin - Outdoor

Generous dimensions achieved through an exaggerated technological research. In the Skin table, available in fixed and extendable versions, one finds the answer of Desalto's know-how to a continuous technological and functional research.

Skin - Outdoor

Fixed or extendable table with a structure in extruded aluminum. Tops available in tempered glass, ceramic, or wood essence. In the extendable version, the extension is in the same material as the top and opens like a book. In some variants, the fixed version can also be used outdoors.
